Annual Meeting Recap

Thank you to everyone who took time out of their busy schedules to join us and help make this year's Annual Meeting another success! It seems that each year we talk about the importance of your participation, and that holds true for this year as well. We appreciate members genuine interest in the well-being of our Co-op. We saw many new faces this year as well!

This year we updated our members on our current status of memberships and customers. Although we have lost many landline users over the past year, we have gained many new customers with our new offering HSBoS (High Speed Broadband only Service). This service allows customers to subscribe to high speed broadband without the requirement of a phone line. Although this service is not available in all areas of the co-op, we are constantly making efforts to make it available.

We had 132 members present this year and an awesome fish dinner provided Jim McPeak.

Additionally, Rob Kiefer from the Belle Prairie exchange and Justin Woodrow from the Blairsville exchange was re-elected to the Board of Directors. The board officers will remain the same: Chris Sink, President; Lemuel Gage, Vice-President; Rob Kiefer, Treasurer; and Alan Monroe, Secretary.
