

**Title:** Broadband/Telephone Technician

**Location:** Dahlgren.IL

**Description:**

Hamilton County Telephone Co-op is looking to hire a Broadband/Telephone Technician to install and maintain our products and services.

**Company Description:** Hamilton County Telephone Co-op was formed in 1953 to meet the communication needs of our rural communities. We are still working diligently today to provide the same level of services you might only see in the cities.

**Job Description:** The prime candidate for this position is someone who has a positive attitude, a team player, self-motivating, hard-working, problem solving when doing installations and repairs of fiber internet service in residential and commercial buildings. This candidate must have prior telephony experience and be physically capable of lifting up to 100 pounds. Must also be agile to work in pedestals and tight environments during residential installations. Also, this technician must be personable with great face-to-face customer service skills. Candidate must think outside-the-box when problem solving and be able to find multiple solutions to a single problem. Candidate must have computer and internet knowledge. Candidate must: maintain a clean, courteous and professional demeanor; physically be able to climb ladders while carrying tools & equipment; physically be able to work outside during all types of weather conditions; have mechanical experience including the use of hand tools, cordless drills, saws, socket sets and crimpers; and a valid driver's license. Preferred candidate will have: previous experience installing networking/cabling; previous experience installing I/O, cat 5 or 6 and indoor fiber cable. Clean driving or safety record. Salary will vary based on experience and other requirements: ability to work independently & efficiently to meet deadlines; outstanding interpersonal, organizational and presentation skills; Mandatory 90 day probation period for all new employees, pre-hire drug test and a MVR report.

**Other Additional Qualifications (not required):** Experience in splicing, terminating and installing fiber cable.

We offer a basic starting package consisting of wages, 401k, as well as, vacation time after one year of service.
